MEMORANDUM

TO: All Prequalified Contractors

FROM: Ryan Griffith, P.E. *RG*
Director
Division of Construction Procurement

DATE: March 8, 2010

SUBJECT: Electronic Bidding/Bid Express Training

The Division of Construction Procurement will be conducting additional training classes in the use of Bid Express Online bidding software for the Contractors located in the Western part of the state.

The classes will be held at the KYTC D-2 office in Madisonville. These classes will be on April 1st-2nd & will be half-day classes beginning at 8:30 AM and 1:00 PM.

Contractors should contact Tammy Oney in Construction Procurement at 502-564-3500 or tammy.oney@ky.gov to sign up. Contractors are asked to send only one (1) person per company. Training for those who could not attend these classes will be scheduled as necessary.

KYTC accepting bids electronically for the April 23rd letting on an optional basis. The electronic submittal will become mandatory beginning with the July 30th letting.

Bidders will continue to use the Expedite software to prepare the bid and required information. The bid submittal will be done using the Bid Express online bidding exchange, located at:
